Product Description

Used to attach Arris Rails to timber or concrete posts. Smaller, less obtrusive and easier to fix than a standard bracket.
DELIVERY / USEFUL INFORMATION
An approximate date for delivery will be given a couple of days after placing your order, either by phone or email.
There must be available parking, if there are parking constrictions, please make us aware as this may incur a charge.
We try to give either an AM or PM time slot for our deliveries, as we cannot always give a specific time of delivery.
Our trucks are tracked, so if you would like a more specific time, please phone on the day of delivery or the day before.
