Product Description

Deliveries made by Lemon Fencing.
Delivery charge applied is based on Postcode.
An approximate date for delivery will be given a couple of days after placing your order, either by phone or email.
Delivery service is normally within 2-10 working days (dependent on stock and seasonal demand).
There must be available parking, if there are parking constrictions, please make us aware as this may incur a charge.
We try to give either an AM or PM time slot for our deliveries, as we cannot always give a specific time of delivery.

Our trucks are tracked, so if you would like a more specific time, please phone on the day of delivery or the day before.
