Product Summary

Wood Stain & Protector - Clear Tough Coat 5L
Ideal for:

- Softwood Furniture - Hardwood Furniture - Terracotta Pots - Sheds - for increased waterproofing - Objects subject to wear and tear

Features:

- Fungal & Algal Protection - Hard Natural Finish - Peel & Crack Resistant - Pet & Plant Friendly - Water Repellent
- Quick Drying - Low Odour - Easy to Apply - Easy Water Clean Up **Note: Clear coatings are to be used externally as an extra water-proofing TOPCOAT. If they are used on bare wood, the wood will still bleach and naturally weather in the sun. Depending on the wood species, it can silver or turn black over time.**

Product Description

Paint this on internal timbers to stop them staining from dirt and make them wipe clean. This clear wood stain is a hard wearing water proof coating to be added over the top of Wood Protector or Shed & Fence to protect it from excessive wear and tear.
If you want to waterproof a building without adding more colour then use Clear Tough Coat. For example, if you like a

subtle look of just one coat of a Wood Protector colour you can increase waterproofing and protection by adding one or two coats of Clear Tough Coat.
