Product Summary

- Galvanised mesh 6m x 900mm x 50mm x 50mm

Welded at every cross joint for durability and galvanized to ensure maximum product life
Flexible enough for most construction and protection applications from fencing to invisible pond and pool protection
Measures 6m length by 900mm width; 50mm by 50mm mesh opening

Product Description

DELIVERY / USEFUL INFORMATION
An approximate date for delivery will be given a couple of days after placing your order, either by phone or email.
There must be available parking, if there are parking constrictions, please make us aware as this may incur a charge.
We try to give either an AM or PM time slot for our deliveries, as we cannot always give a specific time of delivery.
Our trucks are tracked, so if you would like a more specific time, please phone on the day of delivery or the day before.
