Product Description

Deliveries made by Lemon Fencing.

Delivery charge applied is based on Postcode.

An approximate date for delivery will be given a couple of days after placing your order, either by phone or email.

Delivery service is normally within 2-10 working days (dependant on stock and seasonal demand).

Delivery lead time for sheds and garden building products can be up to 6 weeks during busy periods although is often less.

There must be available parking, if there are parking constrictions, please make us aware as this may incur a charge.

We try to give either an AM or PM time slot for our deliveries, as we cannot always give a specific time of delivery.

Our trucks are tracked, so if you would like a more specific time, please phone on the day of delivery or the day before.
