Product Description

Wood Stain & Protector - Charcoal

A strong and modern colour for contemporary gardens inspired by towering lumps of deep grey-black piled high charcoaled wood. A tough and moody dark grey colour with depths of black, whilst cosying up to subtle hints of brown, give it a rounded feel. Perfect to create impact - a base canvas to set off garden planting; across fencing; sheds; summer houses and pergolas.

A multipurpose and versatile wood paint that weatherproofs, colours, and protects all varieties of outdoor timber. It can be used on masonry and even terracotta pots (will adhere to any material that is porous). Quick drying and long lasting.
