Product Description

Wood Stain & Protector - Dark Oak

A rich dark brown stain that protects timber in more ways than one. Wood Stain and Protect Dark Oak Wood Stain can be used like a traditional garden paint but it has the added advantage of waterproofing the timber and lasting many years.

A multipurpose and versatile wood paint that weatherproofs, colours, and protects all varieties of outdoor timber. It can be used on masonry and even terracotta pots (will adhere to any material that is porous). Quick drying and long lasting.
