Product Description

Wood Stain & Protector - Gold

A striking bright gold with a warm orange hue, this shade is as bold and beautiful as a sunflower. Dark Gold suits planters and trellises, and also looks effective as a companion colour to Wood Stain and Protect Ebony on fences and garden buildings. Even dark old timber can be lightened and brightened by applying two or more coats of this versatile paint.

A multipurpose and versatile wood paint that weatherproofs, colours, and protects all varieties of outdoor timber. It can be used on masonry and even terracotta pots (will adhere to any material that is porous). Quick drying and long lasting.
