Product Description

Wood Stain & Protector- Green Oat

This bucolic and chilled shade of green imparts a breezy feeling of feathery crops gently swaying. The colour is both elegant and comforting, making a statement without being overbearing. It adds a perfect backdrop to any garden and would sit perfectly on sheds, fencing, or walls. This colour is also a strong feature for furniture, pergolas, or pots that can be combined with a range of complementary hues.

A multipurpose and versatile wood paint that weatherproofs, colours, and protects all varieties of outdoor timber. It can be used on masonry and even terracotta pots (will adhere to any material that is porous). Quick drying and long lasting.
