### Product Description

#### Wood Stain & Protector- Gun Metal Grey]

A strong cool grey that looks sharp and stands out. Along with being a traditional colour it also works well in a modern garden as architectural framing with many materials from metals to drift wood.

A multipurpose and versatile wood paint that weatherproofs, colours, and protects all varieties of outdoor timber. It can be used on masonry and even terracotta pots (will adhere to any material that is porous). Quick drying and long lasting.
