Product Description

Wood Stain & Protector - Peacock Blue

A wood stain in a rich and royal shade of blue that is both in keeping with a traditional or modern look. Wood Stain and Protect Peacock beautifully contrasts with other wood stains in the range such as Parsonage Cream, on timber buildings and trellis. Border fencing with a Peacock blue wood stain also makes a great backdrop for planting.

A multipurpose and versatile wood paint that weatherproofs, colours, and protects all varieties of outdoor timber. It can be used on masonry and even terracotta pots (will adhere to any material that is porous). Quick drying and long lasting.
