Product Description

Wood Stain & Protector - Warm Grey]

Straight from a dark storm cloud rolling over the countryside in a British summer, this grey is a strong warm shade.

Toning in with stone and metal this colour has a full range of applications in garden design from planters to fence panels and garden buildings.

A multipurpose and versatile wood paint that weatherproofs, colours, and protects all varieties of outdoor timber. It can be used on masonry and even terracotta pots (will adhere to any material that is porous). Quick drying and long lasting.
