Product Summary

Wood Stain & Protector 5L

A multipurpose and versatile wood paint that weatherproofs, colours, and protects all varieties of outdoor timber.

Ideal for:

- Fencing - Sheds - Trellis - Summerhouses - Planters - Garden Furniture - Terracotta pots - Masonry

Features:

- Protective coating - Easy to apply & low Odour - Pet & plant friendly - Multi purpose - Water Repellent - Mould resistant - Easy water clean up - Light, fast, quick drying - Will cover 8m² per litre (two coats recommended)

If applying to a garden building that will be subjected to high levels of exposure to weather, it is recommended that you apply Protek Clear Tough Coat as a top coat.

This is a protective water-repellent coating. If your timber isn't treated with a preservative then depending on the type of wood and product, you may want to use the Wood Preserver ++ first.

Product Description

A multipurpose and versatile wood paint that weatherproofs, colours, and protects all varieties of outdoor timber. It can be used on masonry and even terracotta pots (will adhere to any material that is porous). Quick drying and long lasting.
